**TRANSMITTAL OF SEQUENCE LISTING IN RESPONSE TO  
EXAMINER COMMUNICATION**

Commissioner for Patents  
Washington, DC 20231

Dear Sir:

A communication from the Examiner, mailed December 2, 2002, indicated the response to the Notice to Comply with the Sequence Rules filed September 26, 2002 was not fully responsive. In particular, the Communication stated the computer readable form of the substitute sequence listing was damaged and/or unreadable.

In response, transmitted herewith is a computer readable copy of the substitute sequence listing. I hereby state that the content of this computer readable copy is identical to the content of the paper copy of the substitute sequence file on September 26, 2002 (copy enclosed). As directed in the preliminary amendment (dated September 26, 2002), please substitute the originally filed sequence listing with the substitute sequence listing attached herewith.

Dated: December 18, 2002

Respectfully submitted,

By:
